5. Q: Who owns the Club Facilities?

A: Promontory Investments, LLC an Arizona limited liability company (the "Company"), owns and operates the Club Facilities.

6. Q: How many memberships will be available in the Club?

A: A maximum of 790 Full Memberships may be issued by the Promontory Club with respect to the 36 holes contained in the Dye and Nicklaus courses.

An additional golf course (for a total of three (3) 18-hole courses) may be added, in the Club's discretion (subject to certain approvals under the master plan), with an allowance of up to 195 additional Full Members per nine (9) holes. However, the developer has no present plans to build this additional course prior to equity conversion of the Club.

The limit on the number of Equestrian Memberships to be offered in the Club shall be the same number as the number of boarding stalls available for use in the private Equestrian Center facilities. Thus, to the extent that the Club may, from time-to-time elect, at its sole discretion, to construct additional stalls it may increase the total number of Equestrian Memberships to match the total number of stalls available for use.

The Club is authorized to issue a sufficient number of Social Memberships so that any property owner in the Promontory community can acquire a Social Membership. Although the Club is authorized to issue a sufficient number of Social Memberships so that any property owner can acquire one, the Club is not obligated to make a Social Membership available to an initial property purchaser after the closing on the property purchase. The Club may, at its sole discretion, limit the number of memberships available in the Club or in any category of membership as the Club determines appropriate from time to time.

7. Q: What are the privileges of a Full Membership?

A: Each person who acquires a Full Membership will be entitled to use all the golf, tennis, swimming, fitness, social and trail riding facilities of the Club (excluding the private equestrian center facilities), and will be granted preferred dining reservation and use privileges in the Pete Dye Canyon Golf Clubhouse for their families and guests as well as exclusive use and dining privileges in the Jack Nicklaus Painted Valley Golf Clubhouse and adjacent fitness studio. Full Members will not be required to pay greens fees or court fees for use of the golf and tennis facilities, but will be required to pay golf cart fees. Advance sign-up privileges for golf starting times and tennis court times will be determined by the Club from time to time. Certain use privileges, including, without

limitation, use of the Nicklaus golf course, clubhouse, and fitness studio, and the ability to make dining reservations in the Dye golf clubhouse are reserved exclusively for Full Members, which exclusivity may change from time to time, in the Club's sole discretion (see the Club Rules and Regulations, the Membership Plan and Membership Agreement for further restrictions and details regarding Full Membership privileges).

8. Q: What are the privileges of an Equestrian Membership?

A: Each person who acquires an Equestrian Membership will be entitled to full use of the facilities of Promontory's private equestrian center subject to applicable rules governing such use. Each Equestrian Membership shall entitle the member to the use of one single-horse boarding stall and a private tack locker. Equestrian Members may be given the opportunity to temporarily board additional horses, upon payment of applicable additional fees, to the extent stalls are available and not presently being used by other Equestrian Members. Stalls and lockers shall be assigned, and re-assigned, from time to time, by the Club at its sole discretion, provided, however, the assignment of boarding stalls and private tack lockers, as well as the allocation of unused stalls available for rent among Equestrian Members shall be determined by each membership's priority status based upon a first-issued, first-priority basis. Equestrian Members will pay monthly Equestrian dues in addition to dues on their underlying Full or Social Membership, and will also be responsible for boarding and feed charges when maintaining a horse in the facilities. Training and grooming services will also be available to Equestrian Members on an additional fee basis. See the Equestrian Center handbook and specific guidelines for more information.

9. Q: What are the privileges of a Social Membership?

A: Each person who acquires a Social Membership will be entitled to use all of the tennis, swimming, fitness, and trail riding facilities of the Club (excluding the private Equestrian Center facilities). Social Members are also entitled to use the social facilities in the Ranch Clubhouse and the Shed Clubhouse. The private social facilities in the Golf Clubhouses and Equestrian Center are generally reserved for Golf and Equestrian Members, respectively, but may be opened to Social Members for special functions or at other times determined by the Club, at its discretion. Social Members will not be required to pay court fees for use of the tennis facilities. Advance sign-up privileges for tennis court times will be determined by the Club from time to time. Social Members are welcome in the Club's Alpine Lodge at Upper Deer Valley, however Full Members may be allowed priority use of lockers in that facility. See the Club Rules and Regulations, the Membership Plan and the Membership Agreement for further restrictions and information regarding Social Membership privileges.

10. Q: What are the special benefits of membership in the Club?

A: In addition to outstanding Club Facilities, and a broad array of activities for members and their families, membership in the Club offers many unique benefits, all subject to the terms of the Membership Plan, including:

- **Refundable Membership Deposit.** The membership deposit paid for a membership is refundable upon resignation and reissuance of the membership as provided for in the Membership Plan.

- **Club Newsletters and E-blasts.** Members will receive newsletters and e-blasts containing information about events and activities at the Club and other items of interest to members.

11. Q: May I invite guests to the Club?

A: Having your friends enjoy the Club's fine facilities with you is a wonderful attribute of membership in the Club. Therefore, members are encouraged to invite guests to the Club subject to privileges associated with their category of membership, reasonable rules and regulations adopted by the Club (as detailed in regulations set out in the Club Rules and Regulations and the Guest/Extended Family Use Procedures, including blackout periods established therein, which are subject to change from time to time, in the Club's sole discretion) and upon guest pre-authorization, and payment of applicable guest fees and charges established by the Club. **All fees and club charges incurred by a member's guest will be charged to the member's Club account and shall be payable by the member.** An exception to this rule may be made, at the sole discretion of the Club, when member-accompanied guests wish to use their credit card for such charges and fees and/or when the guest has appropriately pre-registered with the Club and set up the applicable guest account (see the Rules and Regulations and the Guest/Extended Family Use Procedures for more information).

12. Q: Will my family members be welcome at the Club?

A: Yes. Membership entitles the member, his or her spouse (or partner/"significant other," as designated pursuant to Club policies) and their children unrestricted use. In addition, children's spouses, parents, spouse's parents, grandchildren, great grandchildren, and grandparents to use the Club Facilities, except during certain peak-use periods that may be specified by the Club, in accordance with the membership category selected by the member.

A member's extended family, which are any persons related to the member who do not fall within the definition of "immediate family" above, may also use the Club Facilities when staying in a member's residence in accordance with the member's category of membership upon payment of reduced fees established from time to time by the Club, and subject to blackout periods and other regulations as detailed in the Rules and Regulations and the Guest/Extended Family Use Policies, all of which are subject to change from time to time, at the discretion of the Club. **All fees and club charges incurred by the member's extended family will be charged to the member's club account and shall be payable by the member.** An exception to this rule may be made, at the sole discretion of the Club, when member-accompanied extended family members wish to use their credit card for such charges and fees and/or when the guest has appropriately pre-registered with the Club and set up the applicable guest account. The extended family shall include siblings and cousins of the member and member's spouse, and such sibling's or cousin's spouses and their children, grandchildren, great grandchildren and their spouses. The Club may modify or terminate this privilege and establish such rules with respect thereto as it may determine from time to time. For complete information, please see the Guest/Extended Family Use Procedures established as part of the current Promontory Club Rules and Regulations.

13. Q: Who is eligible to acquire a membership in the Club?

A: Memberships will be offered to initial purchasers of a residence or homesite in Promontory and other such persons as the Club, at its sole discretion, determines appropriate from time to time. In addition, Equestrian Memberships will be offered only to Full Members and Social Members in good standing. Each initial purchaser of a residence or homesite in Promontory may at the time of his or her closing on the residence or homesite, acquire a membership in the Club, provided there is a membership for sale. The number of memberships in each category is limited and available memberships in each category will generally be issued on a first-come, first-served basis.

14. Q: May the category of membership selected at the time of Lot purchase be upgraded and/or downgraded?

A: The category of membership (either Social or Full) selected at the time of Lot purchase runs with the Lot associated with the Membership Agreement so long as it is maintained in good standing. Such category of membership may never be downgraded (*i.e.* changing a Full membership to a Social membership), except as may be allowed in connection with the sale of property to which the membership is attached, as is further described in the Membership Plan. The category of membership acquired at the time of Lot purchase is not generally available for upgrade, since all un-issued memberships are reserved for use in connection with the Developer's future real estate sales. This means that a Lot purchaser who does not buy a Full membership at the time of Lot purchase may not have the opportunity to acquire one in the future for such Lot.

15. Q: What do I have to pay in order to acquire a membership in the Club?

A: You are required to pay a refundable membership deposit in the amount determined by the Club. The required membership deposit will be set forth in the Membership Agreement.

The membership deposit for a Full Membership or Social Membership will be sometimes be "sponsored" under the real estate purchase contract for initial purchasers of property in Promontory from Promontory's developer. This means that the initial purchaser need not pay the membership deposit, but that their resale purchaser will be responsible to pay the then-applicable deposit at the time the property is resold, if they want to become a member of the Club.

16. Q: What happens if I do not acquire a Full Membership in the Club at the time of initial purchase of my homesite from the Developer?

A: If you do not acquire a membership at the time of initial purchase of your homesite from the Developer, you and the subsequent purchaser of your property in Promontory may acquire a membership at a later date only if one is available and not reserved by the Club and only upon payment of the full membership deposit which is then in effect at the time the membership is acquired.

- 17. Q: When will the membership deposit be repaid to the member?**
- A:** Each person who acquires a membership will be entitled to receive a refund of his or her membership deposit, without interest, 30 years from the date of the member's admission to the Club. In the event that the member resigns from the Club before the end of the 30 year period, the member will be entitled to receive the membership deposit paid by the resigning member within 30 days after the reissuance of the member's membership by the Club to a new member. The Club may charge a transfer fee in connection with the resignation and reissuance of a resigned membership. If a transfer fee is charged, that fact and the amount of the transfer fee will be set forth in the member's Membership Agreement. Until all new memberships in the resigned member's category of membership have been issued in the Club, one resigned membership will be reissued for every three new memberships issued, on a first-resigned, first-reissued basis.
- 18. Q: May I arrange for the subsequent owner of my residence or homesite to acquire my membership?**
- A:** Yes. A member who owns a residence or homesite in Promontory may arrange for the Club to reissue his or her membership to the subsequent purchaser of the residence or homesite, regardless of whether all the memberships in that category have been issued and regardless of whether there are any resigned memberships on the waiting lists. The subsequent purchaser must be approved for membership and must pay the then required membership deposit.
- 19. Q: Can members be assessed to cover any operating deficits or capital improvements?**
- A:** No. Members will pay membership dues, fees and other charges established from time to time by the Club. Until such time as the conversion to an equity member-owned club occurs, members will not be subject to any liability for capital or operating assessments for the costs and expenses of ownership or operation of the Club or the Club Facilities in the non-equity club. The Company will pay all operating deficits incurred in the operation of the Club Facilities and will retain all operating revenues resulting from operation of the Club Facilities.
- 20. Q: I understand that the membership program at The Promontory Club is a "Convertible Equity Membership Program." What does that mean?**
- A:** The membership plan documents will provide that the Club can be converted to an equity member-owned club. The Company may, at its sole discretion, determine to convert the Club to an equity member-owned Club at any time after December 31, 2010. However, upon the initial issuance of 90% of the maximum number of Full Memberships permitted to be issued in the Club (based on committed golf courses), the members will be entitled to vote on whether the Club should be converted as provided below. Upon the Company's determination to convert after 2010 or upon the initial issuance of 90% of the maximum number of Full Memberships which can be issued in the Club, whichever is sooner, the members will vote on the conversion at a special meeting of the members. If

a majority of the eligible votes of the members are voted in favor of conversion, the Club will be converted to an equity club. In such a vote, Founder, Charter and Full Members will be entitled to three votes per membership and Social Club Members will be entitled to one vote per membership. Any member of these aforementioned categories of membership who is also an Equestrian Member shall have one additional vote by virtue of such Equestrian Membership.

The "Turnover Date" will be 60 days after the earlier of: (i) (A) the initial sale of all of the equity memberships held by the Company, or (B) the initial sale of all the residences or homesites now or hereafter included within Promontory to retail purchasers, whichever is later to occur, or (ii) a date certain to be specified by the Company in the Equity Membership Documents, or (iii) any earlier date determined by the Company in its sole discretion, provided the equity club's accounting firm has reviewed the operating results of the club and confirmed that the club operated during the preceding 12-month period without an operating deficit.

Prior to the Turnover Date, the Company will fund all operating deficits and be entitled to retain any operating profits of the club.

- 21. Q: If the Club is converted to an equity member-owned club, what will my rights be as an existing member of the Club?**
- A:** If the Club is converted to an equity, member-owned Club, all members will be given an opportunity to acquire an equity membership in the corresponding equity category.
- 22. Q: What amount will I have to pay for an equity membership if the Club is converted to an equity club?**
- A:** If and when the Club is converted, existing members who desire to convert will be required to pay an additional payment during the initial offering period. This amount and the terms of conversion will be included in the original Membership Agreement signed by each member for non-equity membership.
- 23. Q: What happens to my membership if I do not convert my membership to equity membership if members vote to convert the Club to an equity club?**
- A:** Members who choose not to convert to equity membership may continue their membership privileges as non-equity members, but their memberships are subject to recall on a last-in, first-recalled basis in order to issue an equity membership without exceeding the limit on the number of memberships in the equity club or due to reduced membership limits. The recalled member will be entitled to a refund of the membership deposit paid within 30 days of the effective date of the recall.

24. Q: How will the Club keep informed of the desires of the members?

A: The Club is committed to providing the types of services, activities and events that the membership desires. An advisory Board of Governors composed of members of the Club meets quarterly to enable members to have input on the foregoing items as well as other matters that are of concern to the members. The Club's Board of Governors may be contacted at bog@promontoryclub.com.

25. Q: Will there be any other types of membership available in the Club?

A: In addition, the Club may issue up to ten Company Memberships per golf course and twenty Honorary Memberships to such persons as the Club determines appropriate from time to time.

The Club may offer recallable Invitational Full Memberships and recallable Invitational Equestrian Memberships to persons who do not own property in Promontory. Invitational Members will have the same privileges as a member in the corresponding regular membership category and will count against the applicable cap on the number of memberships which may be issued.

Certain persons designated by the Company who acquired Full Memberships in the Club prior to the commencement of real estate sales at Promontory will be known and recognized as "Founder Members." Certain persons designated by the Company who acquired Full or Social Memberships in the Club and are among the first real estate purchasers at Promontory will be known and recognized as "Charter Members." Founder Members who purchase a specially designated "Legacy Homesite" property in Promontory and maintain a Full Membership in good standing for at least five years from the date of closing on their property in Promontory may, upon sale of their Promontory property, resign their Full Membership and obtain a Legacy Membership in the Club upon the payment of a one-time activation fee as provided in their Membership Agreement. Legacy Members will not count against the limit on the number of Full Memberships.

26. Q: How do I become a member?

A: To become a member of the Club, you must be an owner of property in Promontory and be approved for a membership by the Club. Temporary recallable memberships may also be made available by the Club, at its sole discretion. You must submit to the Club a fully completed and signed Membership Agreement and a check in the amount of the required membership deposit.
