### VOLUNTEER

---

Our vision is that by involving Promontory Members in the good works of Park City's non-profits, our second-home community will become more fully integrated into the work of making the Park City area a more enriching and special place to live.

Volunteer with fellow Promontory Members to raise money for Park City non-profits through the Promontory Foundation.

The Promontory Foundation donates to 30 local Park City Non-Profits each year.
