## Personal Information for each Member

In our NorthStar system we can now collect more detailed information for each member, in regard to activities and interests.

If a personal email or cell is not entered the default is what is listed on the Primary Member

If you are adding a new person to the membership, you do NOT need to fill in every other person on the membership. Just chose the first relevant section and fill in for each person being added. If you need to edit the information someone already on the membership, please fill out everything and we will update all at once.

For any adults on your membership we would appreciate having cell and email, as the system will default to sending reservation confirmations to the Primary otherwise.

If you have questions, or would like a current list of your roster and the information we have on hand, please email [Membership@promontoryclub.com](mailto:Membership@promontoryclub.com), and we will send that to you!

Thank you,

Membership Team
