

Mission Statement & Purpose of Association

Founded in 2020, the mission of the Prom Queens Golf Association (PQGA) is to promote interest in golf among Promontory Club female members while developing sportsmanship, fellowship and lasting friendships both on and off the course.

The purpose of the PQGA is to create a vibrant 18-Holer golf program for women members who have a handicap of 40 or less on the Dye Canyon and Nicklaus Painted Valley courses. Organized for and by women members at the Promontory Club, these competitions aim to hone individual golf skills in a friendly competitive environment.

Who Can Join?

Any Promontory Club woman member over 18 years of age who has the right to schedule tee times on both the Nick and Dye golf courses.

The **Prom Queens Golf Association (PQGA)** is for those women who have already established an 18-hole GHIN index. **Prom Queens** must have a handicap of 40 or less on both the Nick and Dye courses. For tournament play though, Prom Queens will only receive a maximum of 36 strokes.

The **Ladies Niners Golf Association** is for women who have established a GHIN handicap of 41+, a newer golfer who may or may not have established a handicap or a woman who only wants to play 9-holes. This 9-Holer group has a separate tournament schedule than Prom Queens. Members have the option of joining both groups should they meet the handicap requirements.

When Do You Play?

Prom Queens and Ladies Niners play both the Nick and Dye courses. For Prom Queens the weekly tournaments for the 2022 season will always be played on Thursdays and will alternate between the Dye and Nicklaus courses. More importantly, the Prom Queens tournament schedule is organized around the Promontory Club Golf calendar so members can participate in both programs.
